DIRECT DEPOSIT

HOW WILL IT BENEFIT YOU?

Your payment will be placed in your financial institution account no later than the morning of the day your check is currently mailed.

You do not have to go to your financial institution every month to make your deposit.

Your payment cannot be lost or stolen, and it will be placed in your account even if you are away from home or the office.

If an error is made in calculating your payment, we will NOT take funds out of your financial institution account. Recoupments of overpayments will be against future payments. If future payments are not available, we will request payment.

Your payment can be direct deposited in most types of financial institutions (i.e., banks, credit unions, and savings & loans). Your financial institution will inform you if they are unable to accept direct deposit.

You will continue to receive your payment statement at your mailing address.

And because you are a ConocoPhillips interest owner, this service will be provided to you at NO COST.
